Corfu, New York

FOREWORD

This edition of the Crest-Hi adopts the symbol of the "age of space" for our theme. We realize that our school is not just an educational institution, but a vital stepping stone to a successful future. Corfu Central School, acknowledging the advanced space panorama, accepts the challenge of preparing students for the educational requirements of tomorrow. Through years of teaching, students have been developed mentally and physically to recognize as well as to seek the truth. Therefore, this basic foundation which we have received from Corfu Central School will be a powerful instrument in the "age of space."

DEDICATION

The Crest-Hi of 1959 wishes to dedicate this yearbook to our principal, Lisle D. Wood. Under his outstanding leadership, Corfu Central School has experienced thirty-four years of continuous growth and expansion.

You have always listened to our problems and have given us help and advice as we needed them. Your attentiveness and guidance is acknowledged with our deepest appreciation.

ADMINISTRATION

SUPERVISORY PRINCIPAL OF CORFU CENTRAL SCHOOL, LISLE D. WOOD

Schools must take children from where they are and help them grow most wholesomely, most rapidly to their fullest possibilities.

We have a responsibility, through schools equipped to deal with each youngster in accordance with his talents and abilities, to prepare him for a strong part in our national life. It follows that if every community accepts this responsibility, it cannot fail in successfully meeting the challenge ahead.

It is the youngster's responsibility to make the most of the opportunity we have provided for him.

"Gone With The Girls"—a comedy directed by Mr. Camody.
It is the story of the "Capp Family" and their trials, troubles, ec-
centricities and fun. What a family! Children are a harum-scarum
brood. Mother is to be engaged to one of the "ultra 400." Grandpa
wants to be his own boss! Result? It couldn't happen to one family!

CLASS HISTORY

As Freshmen, we entered High School with high hopes and varied interests. Each student had his own goal before him at which he would strive during his future High School days. Our only project during this year was the Freshman-Sophomore Round and Square Dance. With the election of officers, our leaders were chosen. Our President was Sylvia Kokot, Vice President-Leonard Gardner, Secretary-Donna Cole, and Treasurer-Judy Schlogenhaut. Our class advisor was Mrs. Buchholz.

During our Sophomore year, our only activity was the Freshman-Sophomore Round and Square Dance. Our class officers as a result of elections that year were: President-Leonard Gardner, Vice President-Vera Smart, Secretary-Marilyn Brickman, and Treasurer-Donna Cole. Our class increased this year with the combining of the Sophomore class of East Pembroke with those of Corfu, and our two class advisors were Mrs. Buchholz and Mr. Carney.

Our first activity in our Junior year was the Junior-Round and Square Dance. We chose Freddie Herman and his orchestra for this occasion. Our one big event was the Junior-Senior Prom for which we chose the theme "Isle of Capri." We engaged Eddie Deem's Orchestra to supply the music. A King and Queen were chosen from the Senior class and a Prince and Princess from the Junior class. We supplied four members of our class to the new National Honor Society in our school. The class officers this year were: President-Leonard Gardner, Vice President-Eugene Beckwith, Secretary-Vera Smart, and Treasurer-Robert Funke. Our class advisors this year were Mr. Carney and Mr. Heaton.

As we are now preparing for graduation in our Senior year, our activities are many. The class officers elected this year are: President-Leonard Gardner, Vice President-Sylvia Kokot, Secretary-Joanne Morgan, and Treasurer-Volkhard Frega. Our Senior Round and Square Dance netted \$124. The Magazine Campaign proved another profitable undertaking and added an additional \$1000 to our treasury. Adding to the interest of our Senior Class, we presented a comedy in three acts entitled "Gone with the Girls." In December, we received our class rings and Senior pictures. Our class advisor this year is Mr. Heaton, to whom we now extend our sincere thanks for a wonderful year. We are now looking forward with great anticipation to our Junior-Senior Prom to be held in the Spring.

As we now leave the doors of Corfu, our memories will linger for many years on the highlights of our past "Corfu School Days." We now leave our best wishes and thoughts of success to our immediate successors at Corfu Central School, in the hopes that their Senior year will prove as exciting to them as it has to us.

N. Mattice, J. Kelsey, D. Hoag, T. Hamilton.

The class has as its advisors this year
Mr. Choate, Miss Zinni and Miss Mancuso.

Our Junior year began in September of 1958 with the election of the following class officers:

President. T. Hamilton
Vice President. . . . N. Mattice
Secretary. J. Kelsey
Treasurer. D. Hoag

Our only activity was the Junior Round and Square Dance, held in the fall. A profit of \$104 was added to our treasury. We are looking forward to participating, with the Seniors, in the planning of the Junior-Senior Prom, which will be held in the spring. We are proud of our 12 Honor Society members.

D. Bielec

Coach Storey, T. Gerhardt,

This was accomplished with a grand total of two seniors among the ranks. With this in mind, it appears that in the '59 campaign, Coach Storey's charges, who will possess a "Storey Core of Experienced Senior Talent" can do nothing but improve their league standing.

Our esteemed coach and trainer looks with favor on the coming season. Perceiving a team possessing a powerful middle line led by the formidable Dave Hoag, and a speedy well-balanced backfield consisting of the Feltshan brothers, and Paul Hake, he feels we are in an excellent position to make a fine showing.

The Corfu Central Green Dragon Team this year, did not severely sear and devour with great vigor the opposition supplied them, but made a creditable showing considering the youth and experiences of the team. We can, however, look forward to a bright future.

Led by the sharp shooting Dave Bielec as quarterback, the team scored two winning games, four losses, and one tie game.

Varsity Basketball

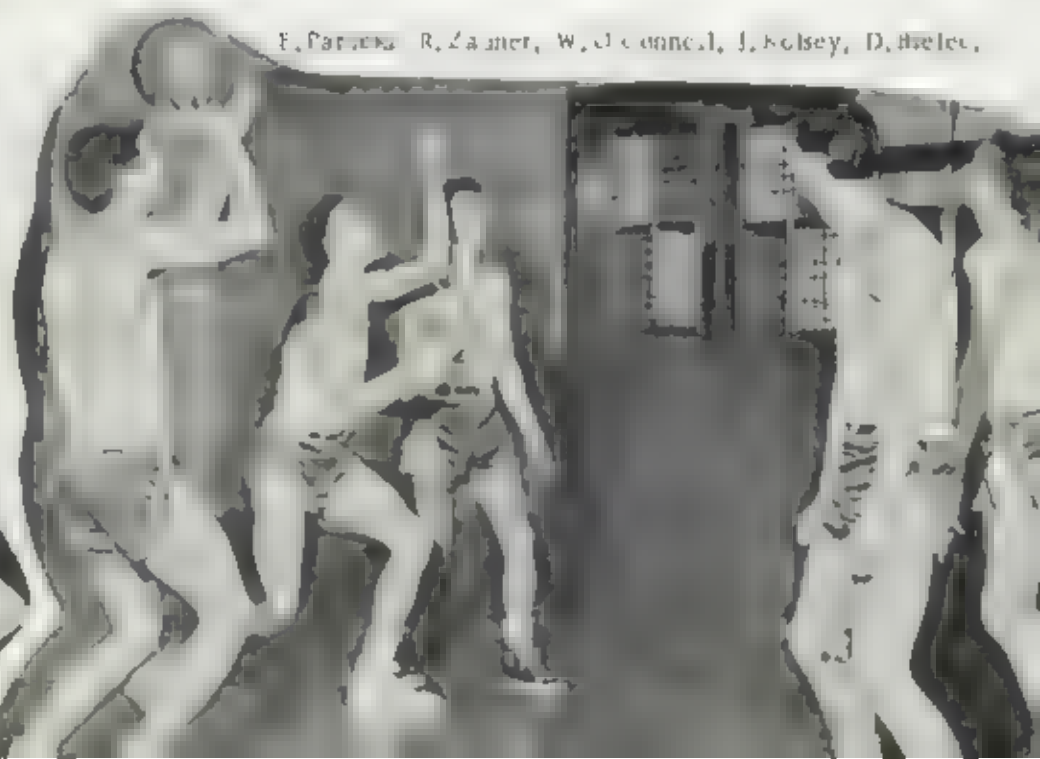

The 1958-59 Corfu Varsity Green Dragons opened the year with four holdovers from last season's varsity and the remainder of the 12-man squad made up of a spirited group from the previous season's junior-varsity. At the half-way point they were even for the season with a 4-4 record and holding down third place in the league. We hope to start performing smoothly in the second half, ending up with a good season's record. With the team beginning to jell, now, our prospects of a higher league finish look very good.

If what they say is true about "Actions Speak Louder than Words," then the actions of this year's J.V. Basketball Team should speak for themselves. The team this year has the hustle and spirit that a team needs to be a winning team.
